KENNY NAGERA LOANED TO SPORTING CLUB DE BASTIA

French forward Kenny Nagera is loaned to Ligue 2 BKT side Sporting Club de Bastia until 30 June 2022.

Kenny Nagera joined the Paris Saint-Germain youth academy in 2015 at just 13 years of age. Hailing from Argenteuil (Val-d'Oise) he was a member of the club's U19 squad when he signed his first professional contract with the club in 2020.

In the 2019-2020 season, Kenny Nagera played 21 matches in all competitions with the U19s. The following season he appeared in six of the side's nine matches before youth football was cancelled in France due to the global health pandemic.

The academy graduate made his Ligue 1 debut last April in the 4-1 victory over RC Strasbourg at the Stade de la Meinau, becoming the 471st player in the history of Paris Saint-Germain.

In June of this year, Kenny Nagera extended his professional contact, tying him to Les Rouge et Bleu until 2025.

The club wishes Kenny a successful season with Sporting Club de Bastia.
