SG FLENSBURG-HANDEWITT vs PARIS SAINT-GERMAIN HANDBALL

WEDNESDAY, SEPTEMBER 29th, 2021 – 20:45 – FLENS ARENA – FLENSBURG

EHF CHAMPIONS LEAGUE – WEEK 3 – BROADCAST: EUROSPORT PLAYER

BEST RIVALS

Paris and Flensburg have played each other 12 times in the last 5 seasons. The Rouge & Bleu have won 8 times. Last season, Raul Gonzalez's players lost both games: 28-27 away and 29-28 in Coubertin. The balance is still positive for Paris in the last 6 games (4 wins, 2 losses).

BACK AGAINST THE WALL

After two EHF Champions League games, SG Flensburg are already up against the wall with two losses. If the first could be logical, even if it was at home, against the defending champion FC Barcelona (21-25), the second was much more surprising in Porto (28-27). Particularly the scenario, with a three-goal lead five minutes from final time. But a two-minute penalty and an excellent Nikola Mitrevski for the Portuguese made the difference in the last moments. With a successful 7-meter throw from Antonio Areia in the money time that finished off the Germans.

ON THE HEELS OF KIEL

SG Flensburg is on the flagships of the German league nowadays. Very consistent on the European stage, Maik Machulla's players are also a real opponent of THW Kiel in the Bundesliga. If last season they failed to win the title against the four-time European champion, players from northern Germany have pushed Kiel to their limits. Tied on points after the final day, it was the goal difference that finally crowned THW.

KING OF PENALTIES

Already successful in previous years against US Créteil, Mikkel Hansen confirmed his good dynamic this weekend during the victory of the Rouge et Bleu in the derby (36-32). But with a more impressive performance: the Danish left-back scored all his goals on 7-meter shots, with a high accuracy rate, finishing the match at 11/13 on shots.

GENTY SOLID ON HIS LINE

Still against Créteil, Yann Genty also confirmed his good disposition against the team from the Paris suburbs. The recent French Olympic champion has accumulated 9 saves with 35% success in the cages.

A VIKING TEAM

The Flensburg squad has a strong Scandinavian identity. There are 13 players from northern countries (Denmark, Sweden, Norway, Finland) against 8 Germans for example. Mikkel Hansen's compatriots are the most represented with 7 Danish in the squad, against 4 Swedish, 2 Norwegians and 1 Finns. This can be explained by the geographical proximity to Denmark, Flensburg being an almost border town with Denmark.

THE OFFENSIVE OPTION

The German team can rely on some attacking assets this season. Flensburg noticed the arrival of Danish left winger Emil Jakobsen from GOG Handbold (Den). Jakobsen was the top scorer in the last edition of the EHF European League with 96 goals, a new record for the competition. The young winger can follow suit at his post of Hampus Wanne. The 27-year-old Swede scored 8 goals with 100% successful rate against Porto last week.

LET'S GO OFFENSE!

The time goes by, and the situation remains the same for the men of Raul Gonzalez. They are the best attack in the Liqui Moly Starligue with already 113 goals scored in three games. The closest pursuers, Aix and Nîmes are relegated to 18 goals (95). Paris to occupy the head of the championship with a favorable goal average of 28 on its pursuer Nîmes confirm by being the best attack of their group (72 goals) and the second best of all the Champions League behind Kiel (74).

TURNOVER BY RAUL

The great win in the last game in the competition against Bucuresti (41-30) gave Paris coach Raul Gonzalez the opportunity to do a turnover. With a big advance at the break (21-11), the Spanish technician was able to involve all his players in the match. This is also visible by a well-distributed score on the match with seven players with 4 or more goals and a 75% success rate. It's the best performance in Starligue.

THE GROUP

There is no injury. All the players traveled to Flensburg and are available for tonight's game.

STADE PIERRE-DE-COUBERTIN

The Stade Pierre-de-Coubertin was inaugurated in 1937 as part of the World Exhibition. Following the damage caused by the Second World War, it was rebuilt in 1946. The major renovation of this historic stadium is from 1990.

Paris Saint-Germain Handball is the resident club. The Club did some work to personalize the stadium, including the creation of a weight room, a medical room or the installation of Rouge et Bleu colored seats, similar to the Parc des Princes.

Some additional work was carried out during the Summer 2016 to allow Paris Saint-Germain Handball to host Champions League matches. Since the 2016-2017 season, all home games are held at Stade Pierre-de-Coubertin. During handball matches, the capacity is 3,500 spectators.

Paris Saint-Germain realized a 46-game winning streak in Lidl Starligue in Stade Pierre-de-Coubertin from the 08/06/2017 to the 25/04/2021) and also broke a record for a French team with 56 straight games without a loss in Coubertin, all competitions included (55 wins and 1 draw against Kiel on March 2018) between June 8th 2017 and December 1st 2019. And in Champions League, the team stayed unbeaten at home during more than 5 years, between November 2014 and December 2019. Paris lost only three times since games are played in Coubertin (39 games, 34 wins, 2 draws and 3 losses).

Beyond gamedays, the Stade Pierre-de-Coubertin is where daily practices of the professional team and club youth system take place.
